

尺寸: 125x176mm 展开尺寸 1000x176mm
157g 双铜+2色+双面印 风琴折

正面

176mm

Product Parameters:

Model	D9
Battery Capacity	3.7V 4000mAh
Rated Voltage and Capacity of The Battery Pack	3.7V 12000mAh
Maximum Voltage Capacity of The Battery Pack	MAX 4.2V 12000mAh
Rated Energy of Battery Pack	44.4WH
Input Current and Voltage	USB-C: 5V/2A
Charging Time	About 8 hours
Net Weight About	3.2 KG / 7.1 lbs
Total Weight About	4.7 KG / 10.4 lbs
Product Size	388*320*125mm
Package Size	424*195*72mm

Special Note:

1. It is recommended to use a 5V 2A USB adapter. The power of the adapter is lower than 5V 2A, it will affect the charging time and will not affect the normal use of the fan.
2. When using it for the first time, if there is a deviation during the shaking process, it is a normal situation. Please manually turn the motor head to calibrate its position. During the first shaking process, please click "Reset" on the fan head.
3. If the fan head is manually turned, the motor will stop working. Please click "Reset" on the fan head to calibrate its position. During the first shaking process, please click "Reset" on the fan head.
